### **AsiaSat expands management team with Tammy Nam named Vice President, Finance Accelerates transformation to achieve long-term business growth**

**Hong Kong, 17 December 2020** – Asia Satellite Telecommunications Company Limited ([AsiaSat](#)), Asia's premier satellite solutions provider announced the expansion of the company's management team with the appointment of Tammy Nam as Vice President, Finance. Reporting to AsiaSat's Chief Financial Officer, Sue Yeung, Tammy will manage the finance team and oversee all financial planning and analysis, accounting, business operations and reporting activities.

"I am excited about our newly expanded leadership team to position us for next phase of growth. Since we initiated our transformation two years ago when we celebrated AsiaSat's 30-Year milestone, we have taken strategic steps towards transformation into a more customer-driven and service-oriented company. I am pleased to welcome Tammy onboard to create new synergy and develop progressive strategy for AsiaSat's continued business growth," said Sue Yeung, Chief Financial Officer of AsiaSat.

"I am delighted to have Tammy joining the management team and taking over the financial responsibilities of AsiaSat. This will allow Ms. Yeung, our CFO to focus on the strategic transformation of the company," said Roger Tong, Chief Executive Officer of AsiaSat.

Tammy is a member of the Hong Kong Institute of Certified Public Accountants and fellow member of the Association of Chartered Certified Accountants. With over 25 years of working experience in commercial and professional fields, her profound knowledge will add new impetus to the company's strategic transformation.

Prior to joining AsiaSat, she was the Financial Controller of the South China Morning Post Publishers Limited overseeing its financial activities and planning, and participated in the M&A exercise when Alibaba Group completed its acquisition in 2016. Tammy had also worked in Deloitte as an auditor involving IPO exercises.

Tammy holds a Master Degree of Business Administration in International Management from the Royal Holloway, University of London and a Bachelor of Arts degree in Accountancy from the Hong Kong Polytechnic University.

Profile of AsiaSat's new management team is available at [AsiaSat's website](#).
